\*\*\*\*\*

Two separate back-to-back one day WE United and Confederation for Working Equitation licensed 'B' Working Equitation Competitions at scenic Lincoln Creek in Centralia. Introductory, Novice A/B, Intermediate A/B levels offered daily. Introductory and Novice A \*\*Opportunity EOH Classes daily.

Enter one or both days.

Judge: Susan Watkins, "r" California.

All phases and levels will compete on grass. The turf at Lincoln Creek is spectacular due to annual winter flooding, and we're excited to offer the first competition on grass in the PNW. The obstacles and courses will be professionally built as you've come to expect from a River Run competition. The competition area perimeter will be flagged, but is not permanently enclosed.

One horse/rider pair per entry. Entry must be complete and accompanied by payment to be accepted. Entries limited to 12 riders per day and accepted in order of complete entry reception. ALL riders MUST wear an ASTM/SEI approved helmet at all times while mounted, regardless of riding discipline. Riders need to check in with the office, sign release forms and obtain exhibitor numbers prior to riding on site.
